2018 Classes:

February 7-8

June 12-13 13-14

October 10-11

ALKAR

ALKAR-RapidPak, Inc.

932 Development Drive / PO Box 260

Lodi, WI 53555 USA

Phone: 608-592-3211 • Fax: 608-592-4039

Learn More about Your Food Processing

The responsibility for producing consistent product and reducing unnecessary down time is a constant goal for your operation. This course will provide your employees with a better understanding of the important functions of your oven.

What Does This Course Consist of?

- Principle of Design
- Instrumentation and Calibration
- Dry-Bulb & Wet-Bulb System Theory and Adjustment
- Air Balancing (Supply and Return)
- Sanitation
- Smoking of Meat Products
- Troubleshooting

Who Should Attend?

This class is open to ALKAR customers who have purchased capital or controls equipment within the past 12 months, and who are responsible for maintaining or operating the food processing ovens in your organization. We recommend that participants have at least 6 months of experience working with their equipment.

Where Will the Seminar Be Held?

ALKAR's Training Seminars are held at the Main Office:

932 Development Drive, Lodi, WI 53555
(see map on last page)

What Does the Seminar Cost?

\$600.00 (\$USD) per registration.

(Limit 4 people per customer; however, additional people can be added to a wait list and you will be notified at least 1 week prior if additional seats are available to send more than 4 people.)

Registrations are a first-come, first-serve basis. Registrations are refundable with at least **1 week** notice prior to the class date. Cancellations less than 1 week will be charged, if ALKAR is unable to fill the cancellation. Substitutions of registered participants are also accepted.

The registration fee covers the cost of the 2-day seminar; breakfast snacks; lunch on Wednesday and Thursday; dinner on Wednesday evening; and a reference manual that covers all topics of the course. Acceptable payment methods include purchase order or credit card (MasterCard, Visa, Discover, and American Express).

ALKAR can also arrange on-site training at Customer's plant (contact ALKAR Service Dept. for an estimate of on-site training), or individual customer classes can be scheduled at the ALKAR office at the rate above per registration, but a minimum of 6 participants would be required if conducted at ALKAR's office.
